# Stomach by Air And Eructations of Gas Rapidly Relieved by Stuart's Char-

coal Lozenges. Willow charcoal is the most import-ant and the purest kind of charcoal obtainable. Wood consists of carbon, hydrogen, and oxygen, and when heated in a room where the supply of air been employed in Stafford Springs, has returned to her home.

bon remains.

In a finely divided state charcool not only condenses gases to a marvelous extent, but also has the power of absorbing coloring matters. It is a very rapid absorbent of gases of every kind and is much used in the dissecting rooms and wards of hospitals for the removal of offensive odors.

In rooms which have been recently

In rooms which have been recently or freshly painted, a pan or other receptacle of charcoal allowed to remain therein over night, will complete. y absorb and remove all the disagree-

ble paint-odor.

Physicians frequently employ charcoal for destroying the fetor of wounds for which purpose it is applied in the form of a powder or poultice to gan-grenous sores, ulcers, etc. It is also largely used in tooth powders, as by its mechanical action it removes incrustations of the teeth, while, by its chemical action it destroys fetor, or foulness of the breath.

In indigestion, accompanied by flat-ulence, or gas on the stomach, and beiching, and in the colle of infants, or older persons, as well as the so-called "lead colle," or "painter's colle" charcoal is by far the best and most powerful remedy that can be used. Stuart's Charcoal Lozenges should be used frequently or constantly by painters, or workers in lead, and all persons whose occupations make them liable to "lead colic." They should also be employed by anyone who suffers he employed by anyone who suffers from those annoying symptoms of indigestion, such as fermentation, decomposition of food, flatulence or gas in the stomach, colicky pains, resulting from the over-distention of the intestines with gas, and the rumbling noises of the bowels with which so many dyspeptics suffer, and which prove so annoying and embarrassing when occurring while in company. when occurring while in company.

Stuart's Charcoal Lozenges are composed of pure willow charcoal mixed John Hooker.

Mrs. Alonzo Fairbanks returned to her home here last week Tuesday, after two weeks' stay at St. Vincent's hospital, Worcester. She is much improved in health.

Mrs. John Hooker and Miss Myrs. Snell were in Southbridge last week.

Mrs. John Scarborough of Westford and Mrs. C. H. Macallister of East Brimfield, Mass. passed Saturday with Mrs. Moore at Mashapaus.

Visitors at the lake the past week say the lake is the lowest it has been for many years.

One of the Sibley children, two years old, cut off one finger with an ax recently.

In the course of his aeronautical experiments M. Bierot has met with sible with honey, and are capable of absorbing one hundred times their own volume in gas; and by their rapid autiformentative, antiseptic, deodorizing and absorbent action prevent the possibility of cells or internal rumblings of gaseous products. They are absolutely harmless and may be given freely harmless and may be given freely to infants suffering from colic, and used just as freely by older persons who are annoyed by flatulence and gas eructations. In proof of the harmless-ness of charcoal, a French physician was in the habit of taking fifteen ounces every day of his life, and recommended its abundant use to others. Purchase a package of Stuart's Charcoal Lowenges from your druggist today for \$5 cents, and send us your name and address for free sample package. Address F. A. Stuart Co. with honey, and are capable of absorb-ing one hundred times their own vol-ume in gas; and by their rapid auti-

#### EAGLEVILLE.

Noted Daily.

Thanksgiving closed very quietly. The mill closed for the day. The store and postoffice kept open only to care for the mail. The rural carrier did not make any trip.

Mr. and Mrs. Charles Michael spent
Thanksgiving day with New Haven

friends. Mr. and Mrs. Fred O. Vinton ar spending the week with relatives in New York city and Montclair, N. J. Flocks of wild geese are daily seen flying south, which foretells the near approach of cold weather.

Sold by druggists, or sent by exces, charges paid, with full directions for use. Le foud for descriptive circulars, etc. Address

The story is told of the Rev. Jas. Patterson of Philadelphia that he once said, in a circle of his brethren, that he thought ministers ought to be humble and poor, like their Master. I have often prayed," said ha, "that I might be kept humble; I never prayed that I might be poor—I could trust my church for that!"—Atlanta Georgian.
